

The TreeHouse

where young minds climb

Vision Statement

Students who attend The TreeHouse School will be academically prepared for, socially adjusted to, and spiritually aware of the challenges of successful decision making for life. This will be accomplished through an individually guided curriculum, which specifically targets the needs and learning style of each individual student.

Philosophy

The TreeHouse School is open to all children, pre-school through pre-teen, regardless of race, nationality, or creed, who may benefit from an individually designed program which comprehensively blends the mental, spiritual, and physical aspects of education which enhances the whole child.

The TreeHouse School

features a unique classroom—surrounded by pristine nature—designed to blend the mental, spiritual, and physical aspects of education—Pre-K through Pre-Teen.

Through an *individually guided curriculum*, the TreeHouse specifically targets the needs and learning style of each individual student—where *all children succeed and no one is left behind*.

Often children who don't do well in a regular academic setting simply need the *gift of time* or they need their individual learning styles identified. The child whose needs require more time gets it. The child who is ready to advance is given the *opportunity to soar*.

Regular evaluation and communication with parents is provided so they are aware of the child's needs and gifts and can supplement with appropriate life skills that can only be provided at home.

School Hours

In keeping with our policy of Individualized Education, school hours are decided after consultation with the prospective student's parents. The input of the parent is crucial in deciding the best times for each student's optimal learning.

School Holidays

The TreeHouse School will be closed for the following holidays: Labor Day, Thanksgiving Day, Christmas Eve through New Year's Day, and Memorial Day. Additional holidays may be allowed.

Inclement Weather Policy

The TreeHouse will close for extreme inclement weather. Each Parent will be contacted in the event that weather causes school to be delayed or canceled.
